1. General Policies

- **Respectful Workplace** - Ontario Creates is committed to fostering respectful workplaces in all sectors and companies we support. A respectful workplace is one that values diversity and inclusion, dignity, courteous conduct, fairness, positive communication and professional working relationships. A respectful workplace is free from harassment and discrimination including sexual harassment.

Ontario Creates expects that all funding recipients maintain the principles of a respectful workplace including taking every reasonable step to:
- Cultivate and sustain a respectful, positive, inclusive and supportive work culture
- Provide a safe mechanism for staff to report incidents or allegations of inappropriate behavior
- Take action to prevent, identify and eliminate workplace harassment and discrimination in a timely manner

An eligibility requirement for Ontario Creates programs includes the applicant organization confirming that they have in place both guiding principles and a process for maintaining a respectful workplace. Please download the Applicant Affidavit from the Ontario Creates website or from the application form in the OAP, sign, and include with your application as instructed.

- **Diversity** - Ontario Creates values and supports diversity and gender parity at all levels and business roles within creative industries. We acknowledge that many communities continue to face systemic barriers, preventing them from participating meaningfully in these industries. Applicants proposing projects/activities that support, reflect, and strengthen diversity and gender parity in Ontario are expected to tangibly demonstrate a genuine and sustained commitment to these equity-seeking communities*. Ontario Creates encourages applications from companies that are led by BIPOC (Black, Indigenous, or People of Colour) or Francophone individuals and applicants that otherwise meet the provincial definition of diversity**.

* Equity seeking communities are those that face significant collective challenges in participating in society. This marginalization may be caused by, but not limited to, attitudinal, historic, social and environmental barriers based on age, ethnicity, disability, economic status, gender, nationality, race, sexual orientation and transgender status. Equity-seeking communities identify barriers to equal access, opportunities and resources due to disadvantage and discrimination and actively seek social justice and reparation.

** The provincial definition of diversity states: the dimensions of diversity include, but are not limited to: ancestry, culture, ethnicity, gender identity, gender expression, language, physical and intellectual ability, race, religion (creed), sex, sexual orientation and socio-economic status.

- **Accessibility** - Ontario Creates welcomes applications from people with disabilities, people who are deaf, and people who have barriers to accessing technology. If you would like to request an alternative process or format for submitting an application please contact the relevant Program Consultant a minimum of four weeks before the deadline.
• Ontario Creates encourages applicants who host event-based activities to choose accessible venues and offer accommodations for people with disabilities as required.
