

## Applicant Affidavit

Ontario Creates expects that all funding recipients maintain the principles of a respectful workplace including taking every reasonable step to:

- Cultivate and sustain a respectful, positive, inclusive and supportive work culture
- Provide a safe mechanism for staff to report incidents or allegations of inappropriate behavior
- Take action to prevent, identify and eliminate workplace harassment and discrimination in a timely manner

Your signature on this document confirms that your applicant company/organization has both guiding principles and a process for maintaining a respectful workplace.
